

Dear Families,

Please find below the Arabanoo 'About you' card.

These cards will be displayed at the Arabanoo Centre for all children and staff to reference and flick through.

This is an initiative to not only assist staff in planning activities for your child's needs but also for other children to get to know your child better and find common interests and fun facts.

Please get your child to fill in the card and return it back to Arabanoo as soon as possible.

Thank you,

Arabanoo Team.
